### Principal Message

This morning while we were out doing daily fitness I looked around and saw so many happy faces. We love daily fitness! Everyone has settled into school for 2020, especially the kindergarten students. Thank you to all those people that have wished me all the best in my role as relieving principal. I am here to ensure all students have access to quality education by providing productive learning spaces and supporting staff in their professional learning and teaching practice so that all students can excel. To all those students that attended the swimming carnival, WELL DONE. Your behaviour made the staff proud. For some students it was the first time they have attended a competitive sporting event and although nervous, they got in and tried to do their personal best. 10/10 to the parents that helped set up, attended to students and helped pack away. I think we have started the year off with flying colours.

### Volunteers Needed

Canteen volunteers are urgently needed. This year for Term 1 we are trialling opening canteen on Fridays. 2 people will be needed each Friday. Why not team up with a friend or we can team you up. The day starts at 9am and finishes around 2:30pm. The children love having people they know in the canteen. We would like to have enough volunteers so we can all do 1 day per term on the roster.

If you are able to help please contact the school office by Wednesday 6th February 2020. Unfortunately, if we do not get enough volunteers for the term, canteen will cease until sufficient volunteers are available. We would like to thank everyone who has helped and have once again put their hand up.

**FIRST CANTEEN DAY WILL BE THIS FRIDAY 7.2.2020**
