Class K/1

K/1 attends the library to borrow books every week. They choose books they can read, and also books that older siblings, parents and other family members can enjoy with them. This particular afternoon, Year 6 boys joined us and shared a fabulous reading experience with the younger students in the school. All K/1 students were engaged, listening intently. Thank you Year 6 boys.

Ms Mitchell and Mrs Leayr

Class 2/3/4

I am incredibly proud to share that even with a disruptive week 3 with the class having a variety of teachers due to my illness, all teachers reported that they maintained their excellent behaviour and work ethic and continued to work hard through the week. Well done students!! I would like to officially welcome two new students to our class, siblings Rory (year 4) and Heidi (year 2). They have both settled in extremely well and have already added wonderful value to our classroom. I would also like to farewell Chad. We wish him all the best at his new school.

Mrs Foley, Ms Fin and Ms Petrie

Class 5/6

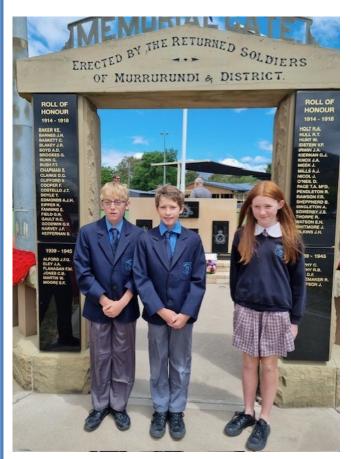

Over the past two weeks in 5-6, we have been working hard exploring the different types of poetry with students constructing Kennings and Haiku poems. In Maths we've been exploring number patterns and how they follow specific rules to continue.

Earlier this week we begun a new artwork, experimenting with blending colours to create backgrounds where we will paint reflections across the middle of our landscapes. We have also sketched out landscapes of Murrurundi which will be used later in our poetry unit. This week we also welcomed K-1 into our room. Throughout the day we assisted with reading, maths and some writing tasks. It was a great opportunity for students to demonstrate their leadership skills whilst helping with our K-1 learning.

This week saw our first harvest from the garden, harvesting our radishes which we planted in week 5 last term. Whilst this wasn't the most successful crop, it was very rewarding to see the crops which we planted finally being ready to harvest. We are looking forward to seeing our celery, tomatoes and strawberries be ready for harvesting in the near future.
